

# **GULU UNIVERSITY**

## **RECOGNITION OF DISTINGUISHED ALUMNI**

**The Council and Senate of Gulu University in line with the mission of the University:-**

“To expand access to higher education, conduct applied research and provide quality professional training to the delivery of appropriate services directed towards social transformation and conservation of bio-diversity” put in place a scheme to recognize alumni who have made significant contribution either to the nation, community or their profession.

The objectives of the scheme are;

- (i) To encourage former students to excel in their career paths.
- (ii) To keep in close contact with alumni

Every year the University will choose a theme to identify distinguished alumni. This year's theme is Outstanding Leaders in Elective Positions at District and National Level.

The University therefore invites its former students who held/hold leadership positions in the District as District Chairpersons and at the national level as Members of Parliament, Ministers or State Ministers (past and present) to submit their names to the office of the Academic Registrar Gulu University for recognition. Submissions should be made from the 6<sup>th</sup> – 11<sup>th</sup> January 2017. A written submission should include brief information on the period of study at Gulu University, programme studied and leadership position one is holding or held. The University will also receive submission from any responsible citizen of Uganda.
